

HILLCREST

Robbie, I had a really fun year in Spanish. We were a really good class! Hope you'll see some of the classes with you next year. Have a good summer! Love ya!
Pam

Robbie,
It's been nice being in gym with you (even though I hate gym). I hope I see you over the summer - I'm sure I will. Glad you passed the written lifesaving syndicate.

Robbie,
Well we made it through this year! By the way, if I didn't tell ya - thanks for all the money you gave me at lunch. I'm in debt to you for about \$100.00. I swear!! Typing was quite the joke! I hope you're in more (than 1) of my classes next year! I'm sure I'll see ya this summer if you're not in Canada. An summer! Good luck in Drives-ED! Take care!
Love,
Pam

Robbie,
We had a great time on swim team and the synch. show, that was a riot. Typing was fun too. The one thing you & I will probably remember most is the movie Sherlock Holmes smarter brother. What a joke! But the ride home was best of all! Remember when that lady was shaking me I didn't need it I was shaking enough already. Well thanks for being so sweet about it!! Well Mehroke if you're not up north all summer then give me a call for sure I know I'll see ya
Robbie

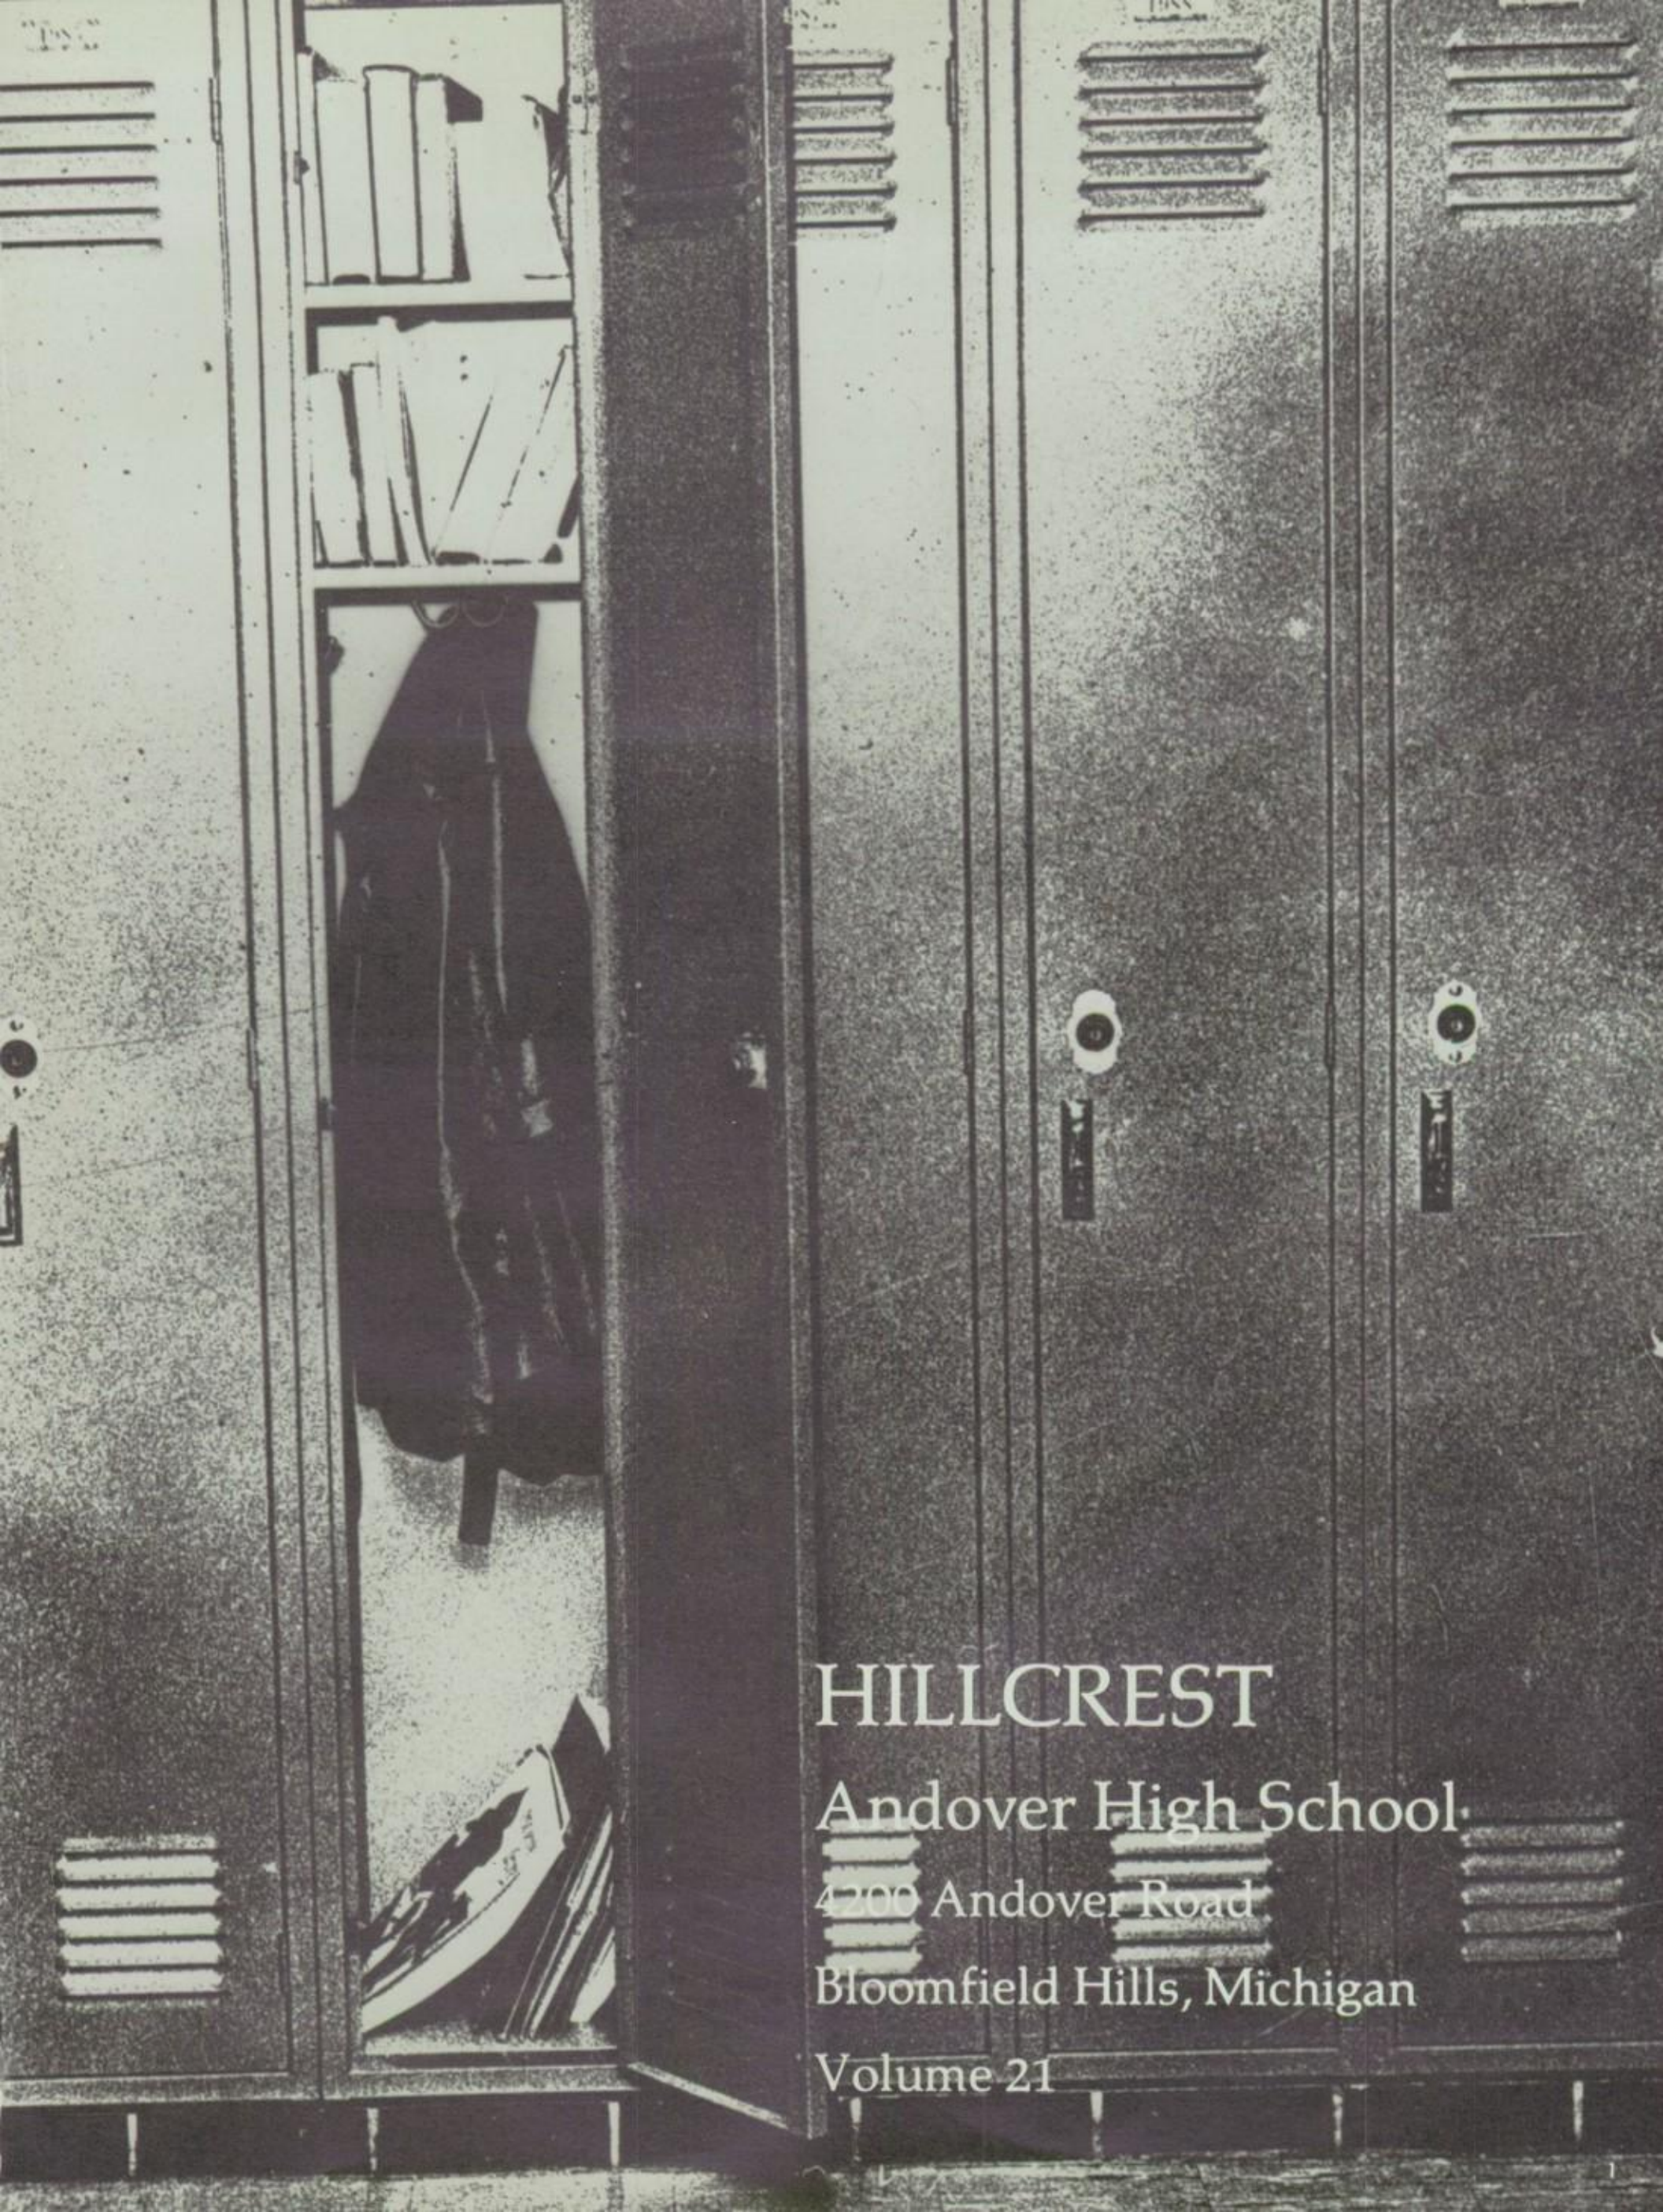

Robbie,
We only had one semester of World History together - what a shame! If you weren't there I probably would have slept through that whole class! Have a great summer I'll see ya at the lake.

EDUC¹ATORS

The Board of Education

The Board of Education is the elected body responsible for making policies for the school district. These parents are elected by the community and spend many hours maintaining a high educational program. We thank the Board of Education and Dr. Thorin for their support and interest in Andover High School.

Dr. Gene A. Thieleke, (1), is the building principal and is the instructional leader of this school. Dr. Thieleke, often referred to as "Dr. T," has a sincere interest in the student body as he attends numerous school functions. He is extremely proud of the faculty and student body at Andover. Dr. Thieleke is supported in his administrative responsibilities by Dr. Thorin, Superintendent, (2), Dr. Spencer, Assistant Superintendent, (3), and Mr. Quinn, Athletic Director, (4).

Rex Austin is one of Andover's assistant principals. Although Mr. Austin's specific responsibilities include the management of all student activities, building maintenance and the operation of the cafeteria, his main interest lies with the student body. He can sometimes be found during the day in the halls conversing with the students, and displaying a sharp sense of humor.

Ron Booth is also an Andover assistant principal. Some of Mr. Booth's responsibilities include coordinating the scheduling program, dealing with student discipline problems, and adjusting the curriculum annually.

Bettie Sanders, Counselor-Supervisor, says the sophomores this year display a great diversification of talents and abilities that will develop into a very interesting class.

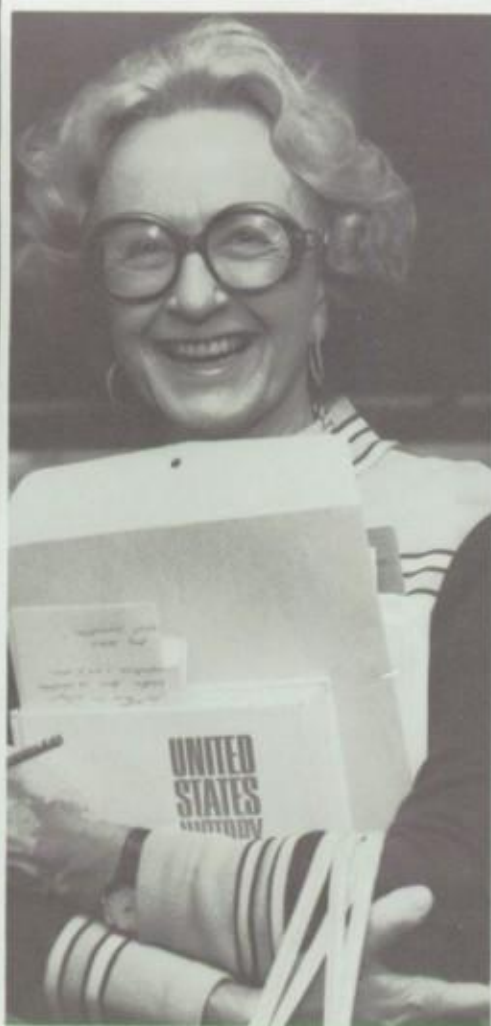

Dr. Tom Johnson, Counselor-Supervisor, says the senior class is a great class to work with, and describes them as a cooperative, respectful, mature group of students.

Neil Celley, Counselor-Supervisor, is preparing for a hectic year. It is his responsibility to place next year's seniors in a college of their choice.

Cantando Choir/Chamber Singers

The Andover High School vocal music department consists of the Jills, the Chamber Singers, the Jacks, the Sophomore Singers, the Acappella Choir, the Sophomore Choir, the Cantando Singers, and the Vocal Jazz Ensemble. During the summer of 1975, forty-one students formed a European Chorale which toured Wales, England, Germany, Austria, Luxembourg and the Netherlands. The Chorale entered The Musical Eistefod in Llangollen, Wales, and won sixth place in the High School Division.

Several students performed at The University of Michigan Honors Choir. We are very proud of all one hundred and twenty students in the Vocal Music Department and their director, Carolyn Eynon.

Marching Band

1975-76 proved to be an exciting year for the Andover Marching Band and its director Craig Strain. Participating in all home football games, the Andover-Lahser game, the Eastern Michigan University Homecoming Parade, the Bloomfield Hills Ox-Roast, the P.T.O. Open House, the nationally televised Hudson's Thanksgiving Day Parade, the Birmingham Christmas Parade, the Bloomfield Township Bicentennial Parade, pep-rallies, and other events, the year was both active and memorable. The success of this year's band was due in part to the enthusiastic leadership of Senior Bob Libcke as Drum Major.

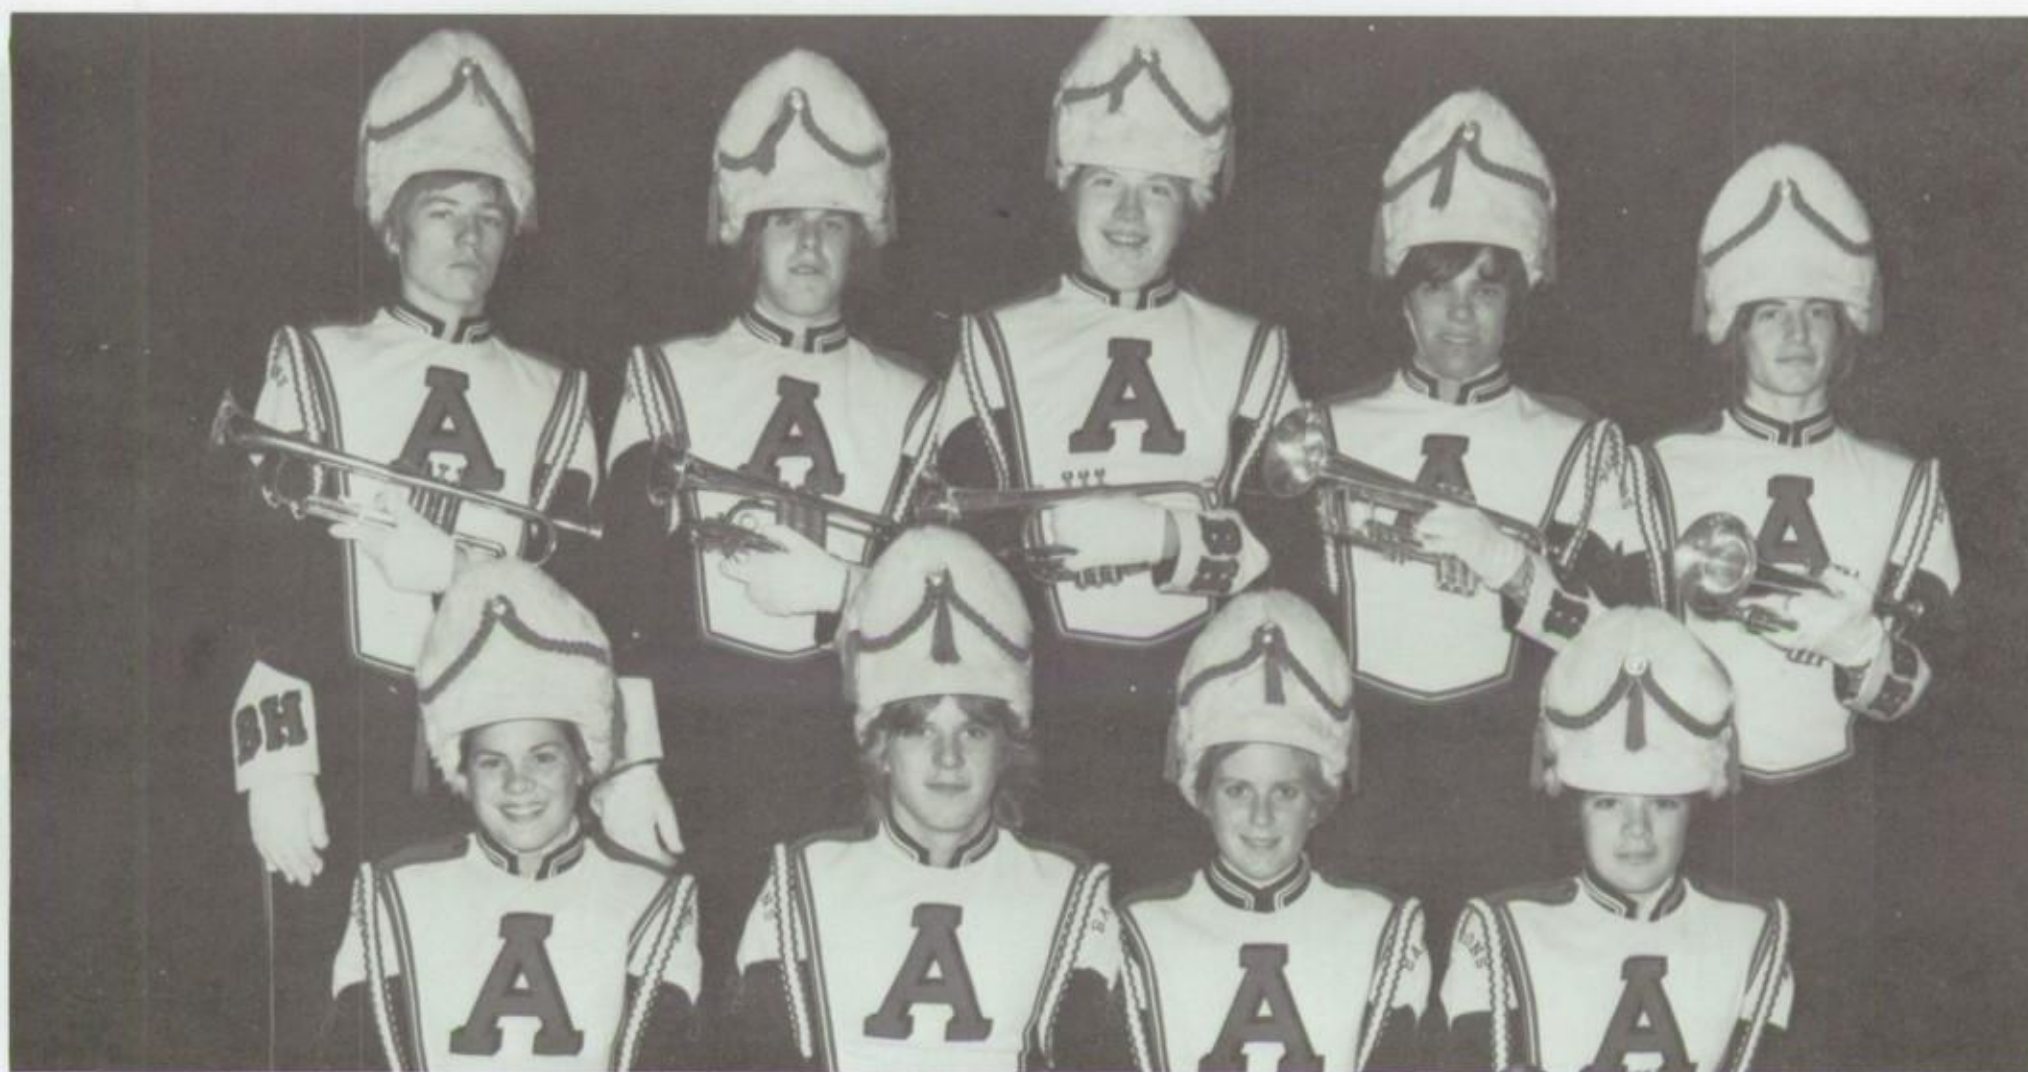

The Marching Band is a result of combining the Symphonic Band, the Concert Band, the Flag Corps, the Majorettes, and the Drum Major, forming a one hundred member unit determined to provide the school and the community with a highly spirited and well polished organization.

Lyceum

The Lyceum Series was introduced by the Superintendent and by the Career Education Department of the Bloomfield Hills School District in 1973. The program involves a variety of guest speakers presenting their job descriptions and also the major problems and decisions which have influenced their careers. The 1975-76 Lyceum Series included Carl Luckenbach, A.I.A. President and Treasurer, O'Dell Hewlett & Luckenbach, Inc.; Ernest A. Jones, Chairman, D'Arcy-MacManus & Masius, Inc.; Sonya K. Friedman, Ph.D. Psychologist; Bo Schembechler, Head Coach, University of Michigan; J. F. terHorst, Nationally Syndicated Columnist, The Detroit News. Following each program there is a discussion period with a panel of students directing questions to the speaker.

Father-Daughter Banquet

This year Andover's Student Government sponsored the first annual Father-Daughter Banquet. With some financial assistance from the P.T.O., senior Andrea Coudriet, chief coordinator of the banquet, organized one of the most successful activities of the year. Held at the Kingsley Inn, the Jills provided entertainment before dinner. Dave Diles, the guest speaker, graciously donated his time to contribute to an extremely enjoyable evening.

Nature Center

The nature center is a thirty-two acre "living classroom" with a great variety of plants, animals, and diverse topography.

It is an opportunity for the student to follow the advice of poet-philosopher, Wordsworth, "Come forth into the light of things. Let nature be your teacher."

Vocal Music Department

The vocal music department has participated in many activities this year. Over 120 choir students sang the religious "Magnificat" by Pergolesi for the Winter Concert on December 16, 1975. Several students had solos; Judy Tioran, Susan Brooks, Katie Lloyd, Dale Wachal and Tim Dinnan. In addition, the choirs toured to Somerset Mall for an afternoon of Christmas caroling. Also, for the first time in Andover's history, the choirs performed at the Bloomfield Hills Baptist Church for a free public concert. The Jills were invited to perform at the Kennedy Center of the Performing Arts in Washington, D.C. in honor of Michigan Day. Equally important, at solo and ensemble contests, both the Soph Singers and The Jills won superior ratings.

Winter Carnival

This year's Winter Carnival was held the week of January 26 through 31. Some of the activities during the week included a Broom Hockey game between the Seniors and the Faculty, and a Volleyball game between the Senior girls and the Junior boys. The Assembly on Friday wound up a week of assorted rivalries. The highlight of the assembly was the Mr. Legs 1976 Contest. The winner was John Ranke, and following close behind were Tony Sakorfis, Bruce Murphy, and Eric Flessland. Dr. Thieleke won the consolation prize - a pair of nylons.

Andover celebrated Valentine's Day this year by holding a dance. Lahser was invited to the dance which took place in Andover's gym and featured a rock group, Medora. Co-sponsors, the Spanish Club and the Junior class, with the help of Mr. Henley and Mr. Wolfe, were pleased to acknowledge the dance as being one of the most successful dances of the year.

"Annie Get Your Gun"

The success of a play depends upon the dedication and desire of the performers and directors. Andover's Drama and Music Departments had both. With Mr. Kinter, the director; Mrs. Eynon, the vocal music director; Mr. Strain, the instrumental music director; Mrs. Picker, the choreographer; and a greatly experienced group of lead performers only the best could be expected. Leads were held by Jenny Myers, "Annie Oakley"; Paul Miller, "Frank Butler"; Judy Tioran, "Dolly Tate"; Matthew Cook, "Charlie Davenport"; and Mark Nowlin, "Buffalo Bill." "Annie Get Your Gun" was another great achievement by the Drama and Music Departments, producing a play for everyone to enjoy.

Exchange Program With England, 1975

The crown jewels, the tower, Buckingham Palace, doubledeck buses, a musical, Stratford-on-Avon, Oxford and Eton are all words which have taken on new significance to the 10 students and teacher from Andover who spent five weeks as part of the school exchange program in England.

After a week in London, the students were taken on many field trips elsewhere. They were used as resource persons in the Gedding School, and were interviewed on local and national radio stations. No matter where they went or what they did, they were constant ambassadors not only of Andover and Bloomfield Hills, but of America. Each student now has his own memory bank of unforgettable experiences which will remain with him his entire life.

Traub Scholarship

1

The purpose of the Traub scholarship is to "enable students of good character who show special proficiency or promise of achievement in the realms of art or music, to enjoy a summer of travel in Europe after graduation from high school and before entrance into a college or university." As in past years, selecting the winners was difficult because of the talented group of candidates. After careful consideration and thoughtful voting, the committee of judges selected Jamie Charles (2) as the 1976 Art winner, with Tim Coleman (4) as the runner up. The 1976 Music winner was Gretchen Johnson (3) with Nancy Peterson (5) as the runner up. All four winners as well as all of the candidates for the award, deserved the honors bestowed upon them. Mr. Bates (1) informed the Andover students about the history of the Traub scholarship.

The 1975 Andover Football Team overcame the obstacles of inexperience and several difficult opponents to fashion a winning 5-4 season and a Greater Oakland League Co-Championship.

The high points of the season were the opening victory against Plymouth Salem, the upset of Clarkston and the great rally against Birmingham Groves. In the Groves contest, the Barons overcame a 20-6 deficit and defeated the Birmingham contingent 34-20. The nadir of the season was reached in our final contest against Lahser, when the team performed in an inept manner and was defeated 12-0.

Several of the Barons won honors during 1975. All-League selectees were:

Eric Flessland
Mark Wiederrecht
Scott Anton
Jim Breaugh

The Cannefax Award (Outstanding Player) was given to Mark Walker, for 936 yards rushing (6.1 per carry). The Most Valuable Player Award was also given to Walker for the 1975 season. The Most Improved Player Award went to Vince Granowicz. Alex Karras did a fine job all around.

Much of the success the J. V. Football Team enjoyed was due to the fine leadership of the captains, Dale Hudler and Mark Walker. The level of achievement the team reached came from unselfish hours of practice, and an all around team of superior athletes.

Boys' Swim Team

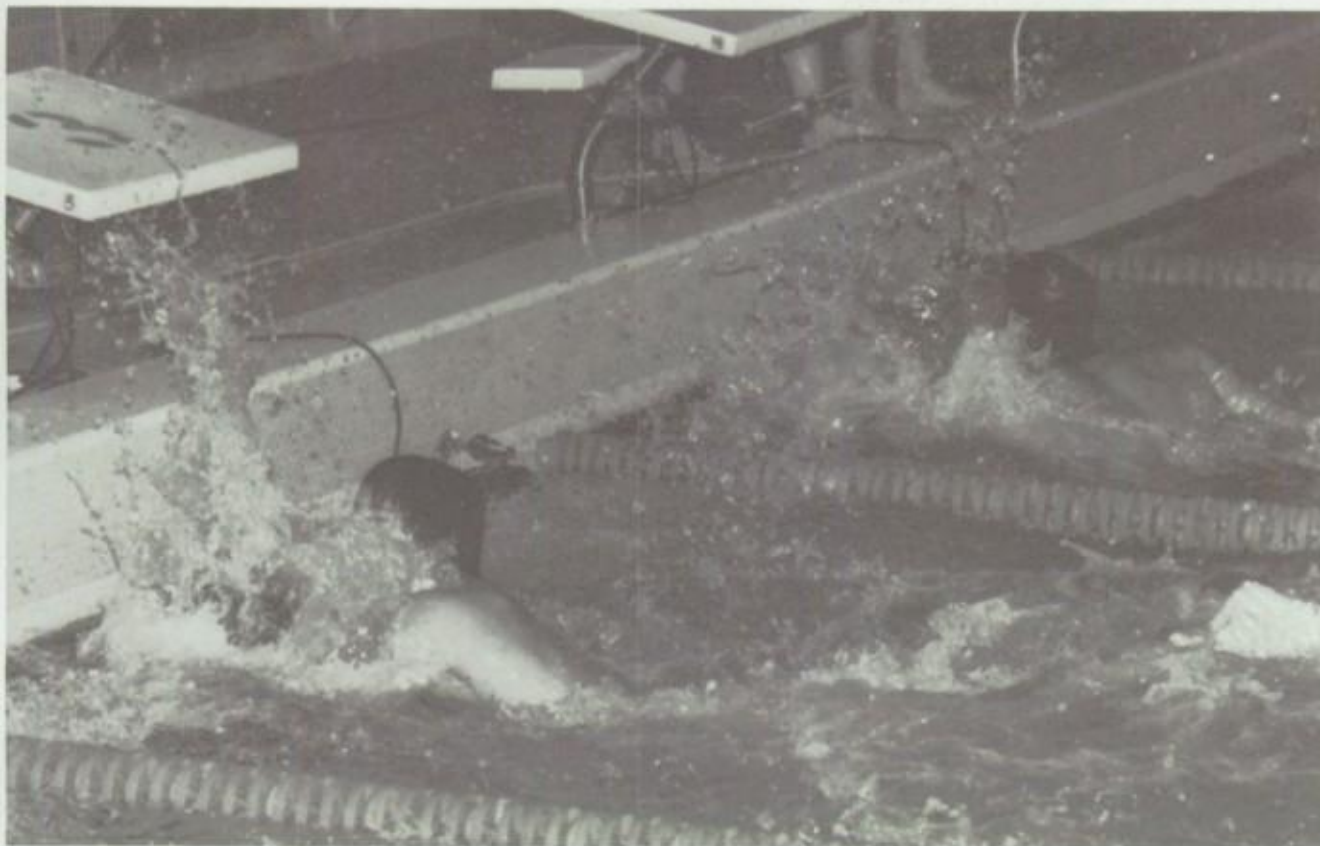

SWIM TEAM: 1st row (l. to r.): D. VanZile, D. Ottati, B. Tobin, B. Reed, R. Bada, A. Silverman, D. Mason, C. Calafati, M. Wurster, B. Dittus. 2nd row (l. to r.): R. Anderson, M. Thieleke, G. Burkett, P. Mulrine, J. Swarmstedt, D. Schoene, D. Brady, B. Beck, M. Ferguson, D. Lazarz, M. Games (Co-Capt.), D. Brooks. 3rd row (l. to r.): Coach Lane, M. Elinski, D. McIntosh, T. Murphy, I. Dittus (Co-Capt.), T. Meter, C. Thomas, L. Gunn, J. Skandalakis, T. Longanbach, S. Goldring, C. Elder.

The 1975-76 Swim Team completed a very successful season with aspirations for placing in the top five at the State Championships held in March. Their dual meet record was 9-3, and they won two Invitational Relay Championships. Ian Dittus, Tim Murphy, and Terry Meter each have qualified in their events for the State Meet. Also Doug McIntosh, Mitch Ferguson, Dean Ottati, and Lee Gunn qualified in the relays.

Synchronized Swimming

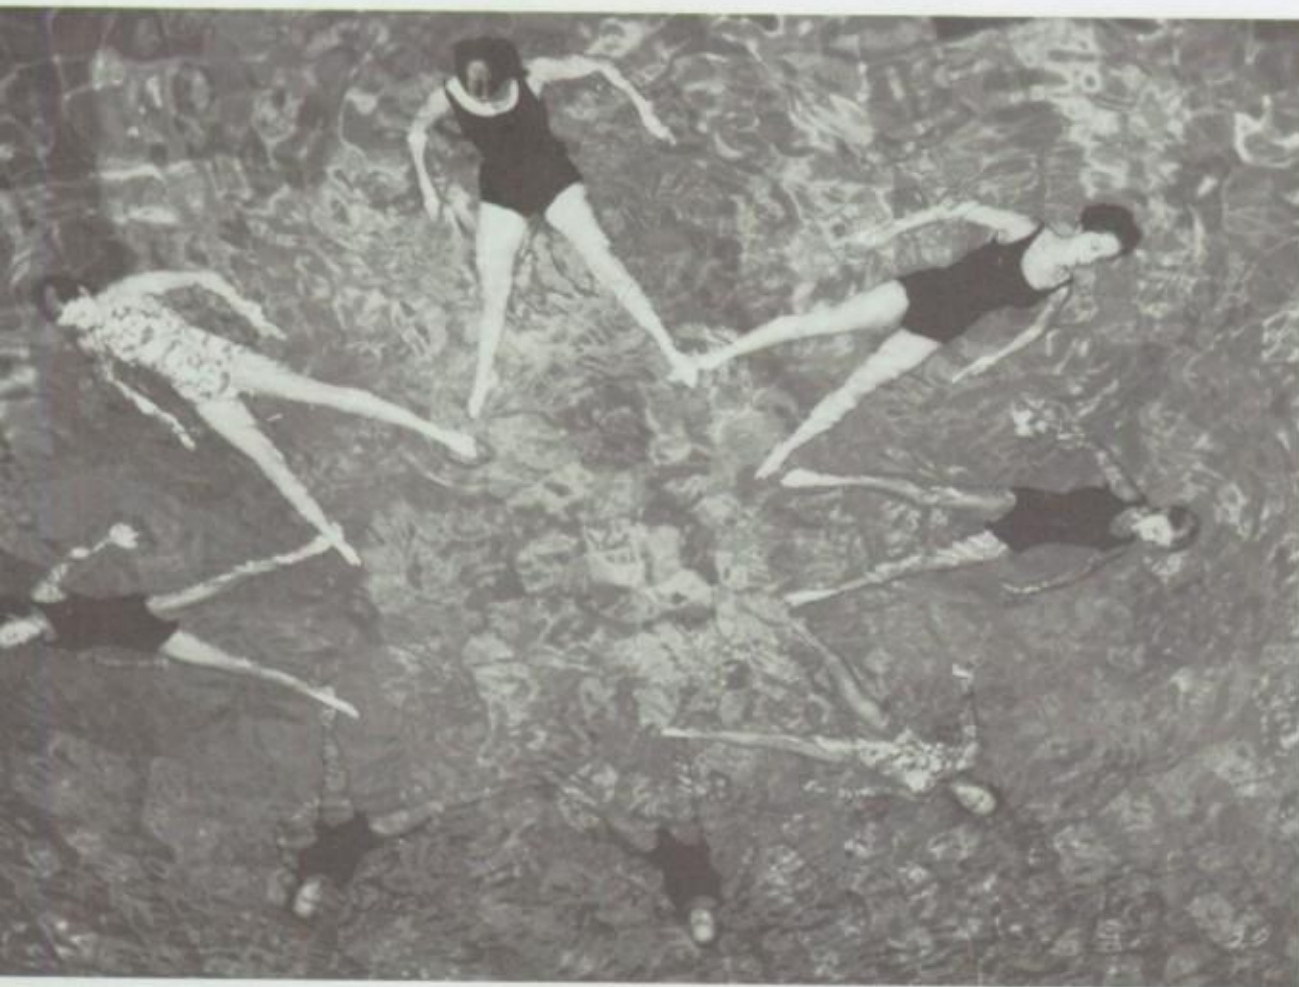

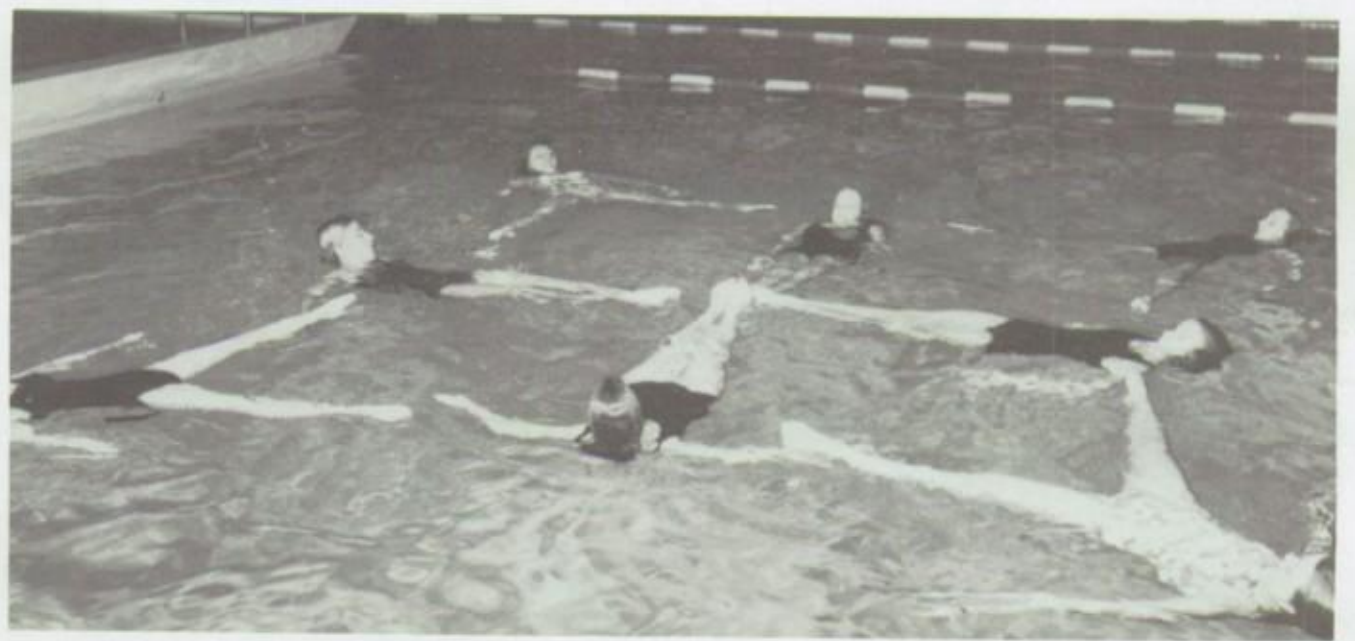

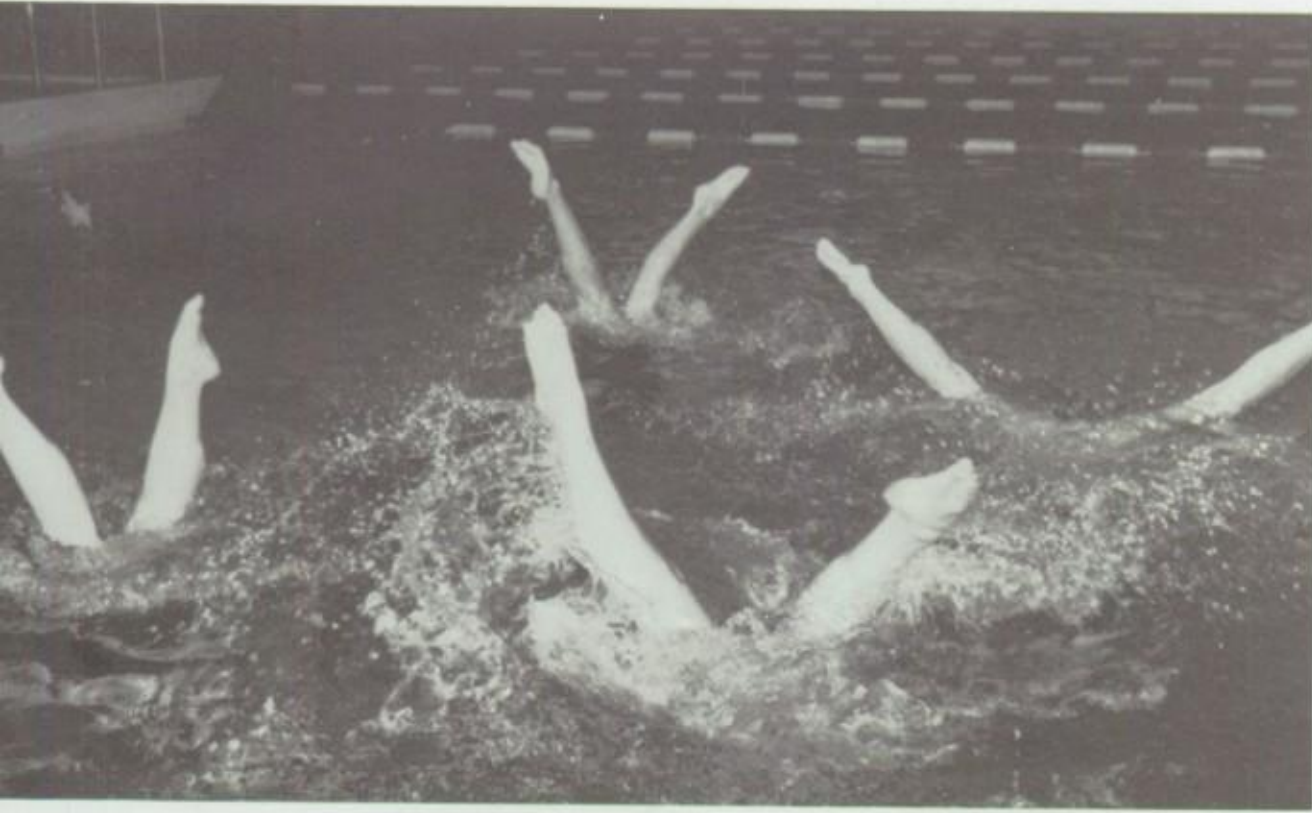

SYNCHRONIZED SWIMMERS: 1st row (l. to r.): L. Benson, N. Beamish, C. Gormley. 2nd row (l. to r.): S. Sheaffer, J. Dailey, M. Fife, D. Kozlowski, P. Capsalis, C. Jones, D. Stephens. 3rd row (l. to r.): S. Aldikacti, P. Wotila, C. Jacobs, N. Anderson, C. Voight, R. Mehoke, K. McNabb, L. Dailey. 4th row (l. to r.): B. Rothenberg, L. Wiltshire, C. Fasse, C. Sie, L. Williams, A. McNabb, J. Milley, J. Bogue, K. Miles.

The synchronized swimmers combine swimming skills and a series of stunts into a number of various routines choreographed to music.

Their ability, effort, and hard work result in a very fine show which is presented to the public each year.

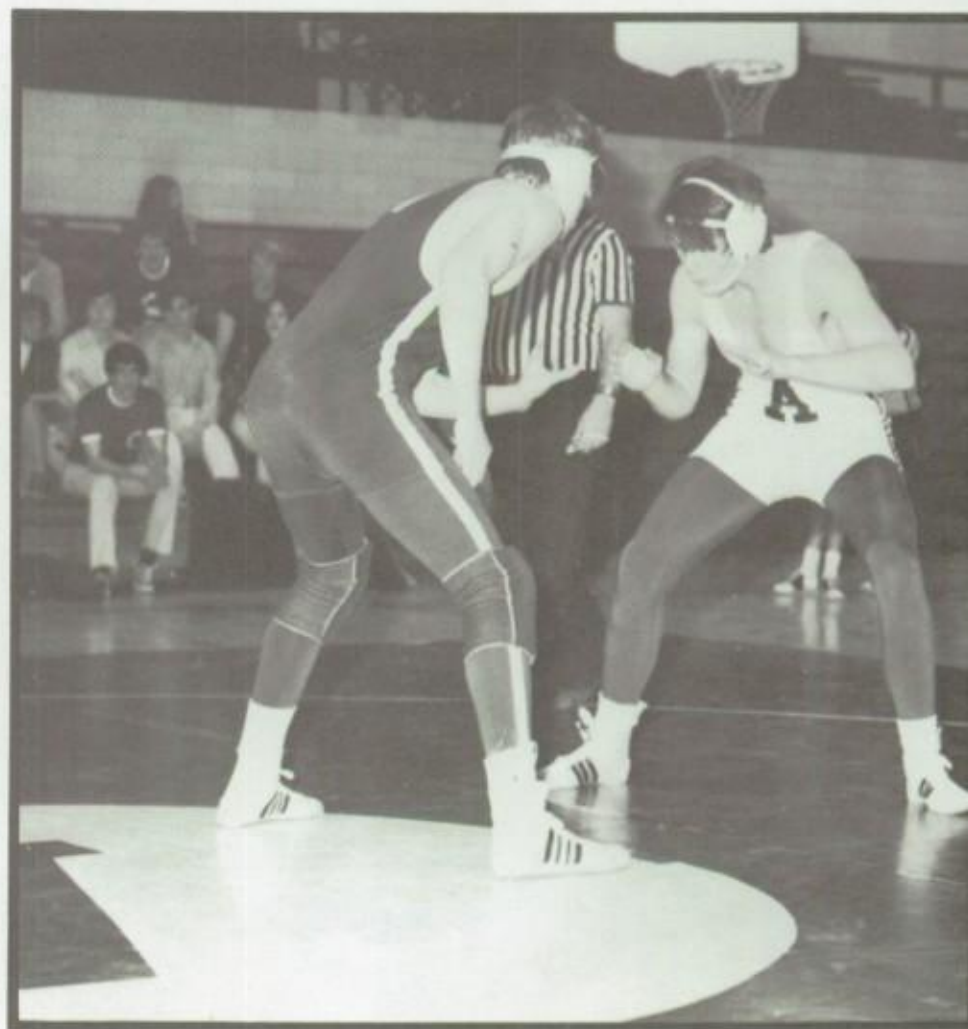

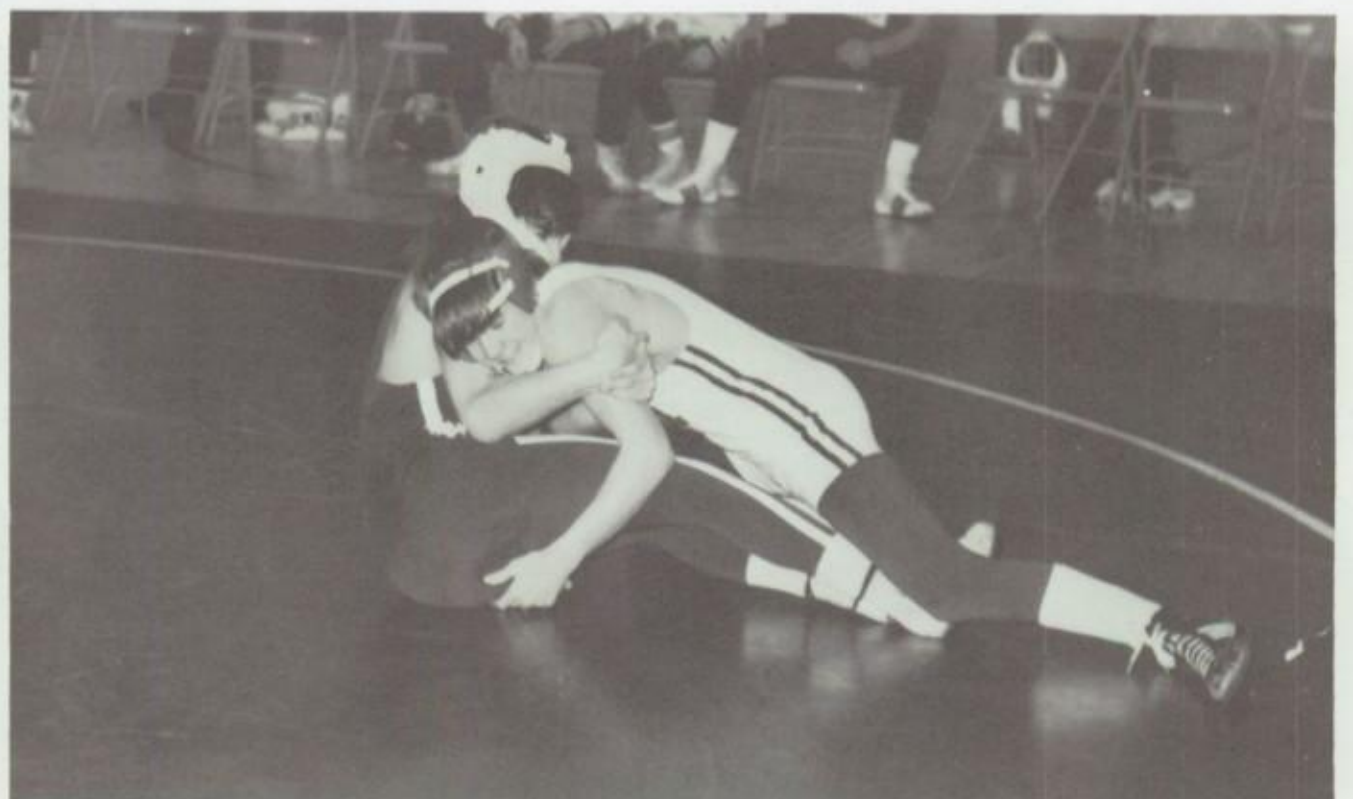

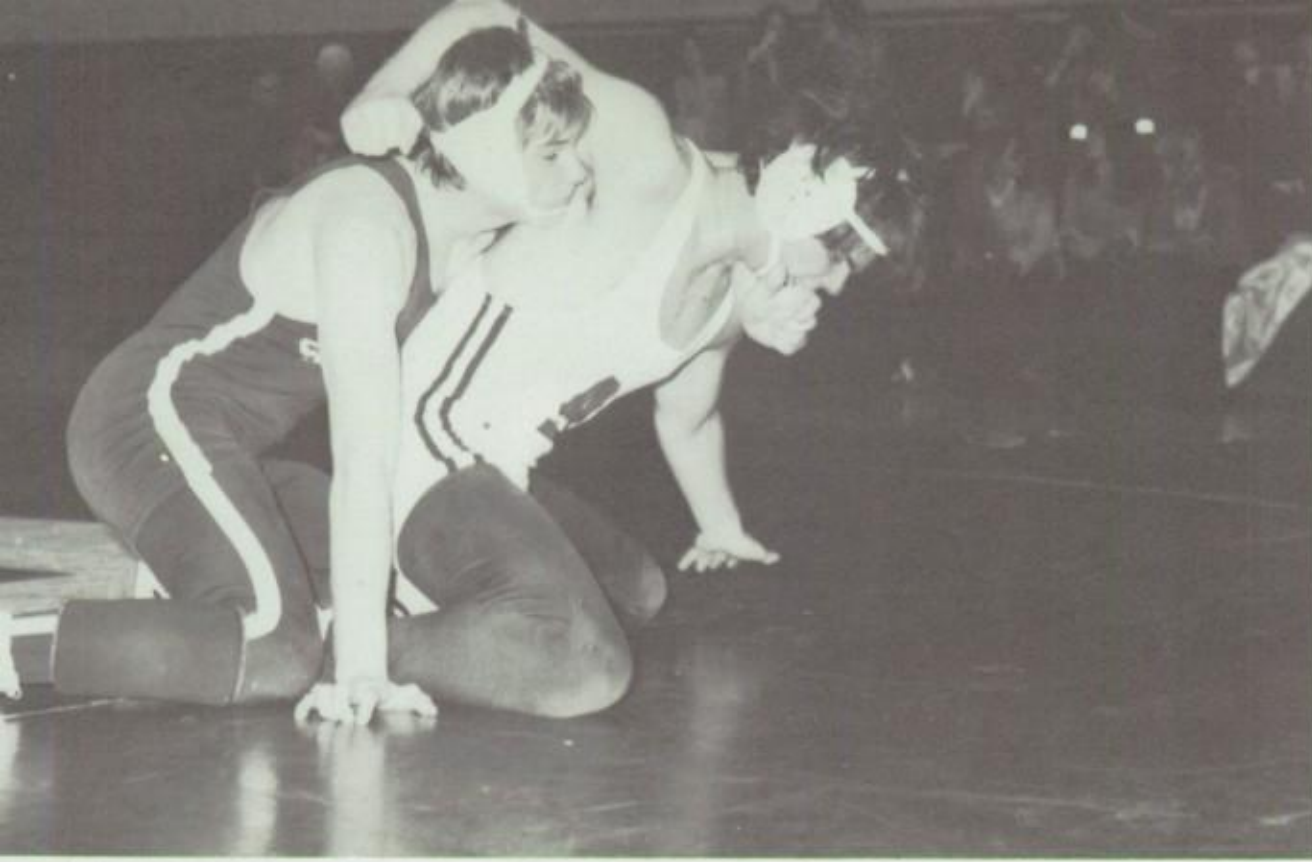

Wrestling

WRESTLING TEAM: 1st row (l. to r.): S. Conn, M. Thiel, T. Wilson, R. Mittlestadt, D. Kehs. 2nd row (l. to r.): Coach Curry, S. Sessler, L. August, B. Levine, D. Knight, M. Wing.

The Wrestling Team displayed considerable improvement this year. The Team was young and lacked the experience and people needed to develop a winning season. Their season record was 0-12, but this is not an indication of individual achievements. Many of the wrestlers showed tremendous improvement by the end of the wrestling season. All but three of the wrestlers will be returning next year, so the team will be gaining a great deal of experience.

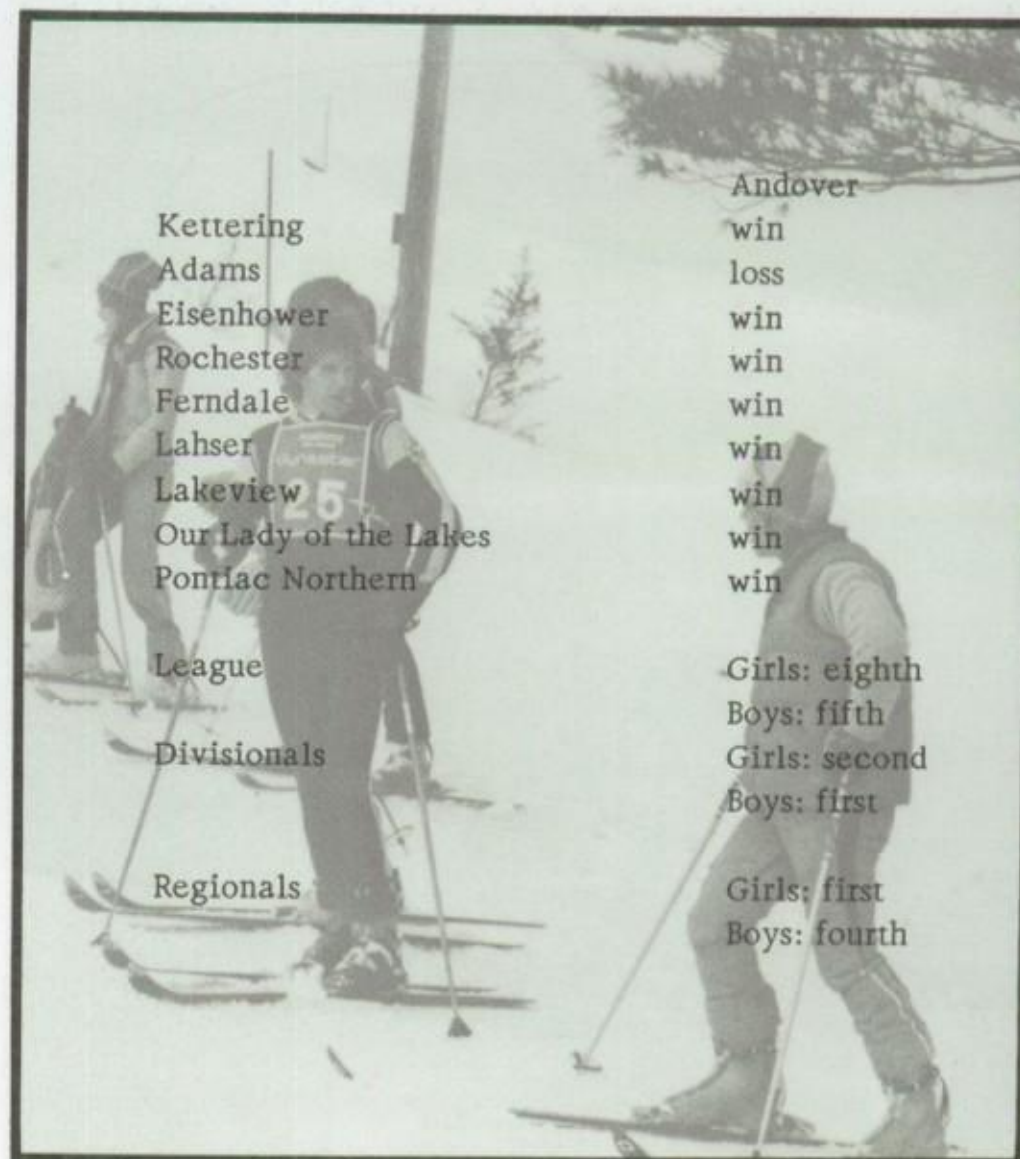

Ski Team

SKI TEAM: Top row (l. to r.): S. Gonczy, D. Huddle, A. Klein, C. Marakas, F. Cowin, L. Osgood, M. Iuppenlatz, E. Reinhard, K. Stinson, D. Lynch, M. Walker, T. Lass, J. Ranke. Bottom row (l. to r.): R. Vera, P. McPherson, C. Leonard, P. Kusser, C. Sayers, K. Bacon, D. Mansfield, M. Morrison, P. Ranger, D. Victor. (Not Pictured: M. Outwater, J. Victor, K. Jacobs, Coach McMullen).

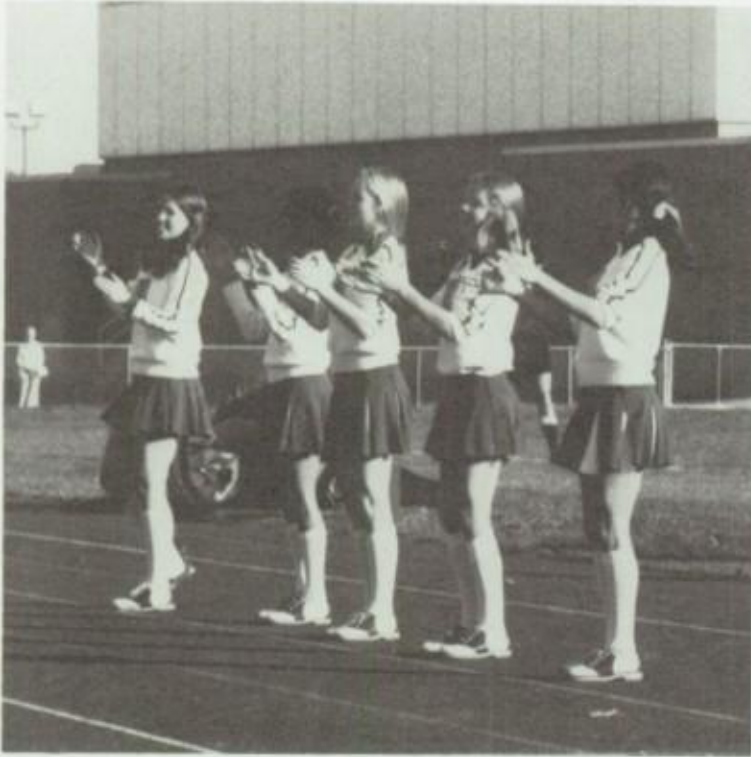

The 1975-76 Andover racing team can be proud of a very successful season. The boys' team finished with a dual meet record of 9-1. With the league championship at stake at Pine Knob, the Barons skied to a 2nd, 3rd, 4th and 8th place finishes in the Slalom to crush the opposition. 2nd, 4th, 8th and 13th finishes in the Giant Slalom clinched the Championship for the boys.

With only four Seniors returning from last year's State Qualifiers, not much was expected. Along came five new skiers; Maren Outwater, Pam Ranger, Meg Morrison, Patty Kusser, and Cindy Leonard, who helped to push the team into a surprising 9-1 dual meet record. The girls finished with a strong second place showing in the Divisional Meet. The results were 4th, 10th, 11th, and 15th in the Slalom and 6th, 11th, 12th, and 13th in the Giant Slalom. The girls qualified for the State Finals Meet.

Robbie — 6/1/16
 I am really happy that we got to be friends in Math. and Synchronized Swimming. You are a super girl with a lovely personality. I hope we can get together this summer. I also hope we're in the same classes next year. I'll never forget "frustration"!

Love,
 Nanci Beamish

Robbie,
 I really am glad that I met you this year in math. I hope we're in lots of classes together next year because I really like to get to know you better. Have a great summer and I see you. Love,

 I was so glad to get to know you this year. You're one of the nicest kids I know. We had a lot of fun this year. Kimwebe's class was something else, but still a joke. "Robbie stop talking"!!! God, in math, at least. We had a time of it in there. We had fun though flunking to get it. Well me at least! I really hope you are in many of my classes next year. Have a fun summer
